Land Use Alternatives Workshop June 10, 2008

Participant Ideas/Preferences on Land Use Alternatives

Goal for Participant Input: To receive input/ideas about the 3 land use alternatives that will improve/inform the land use alternatives. Additionally, we are asking for your individual preference on the alternatives. Ultimately, the City Council will be directing preparation of Chico's 2030 General Plan with a single preferred land use alternative.

LAND USE ALTERNATIVE A

1. **What are your thoughts/ideas about the opportunity sites, constraints considerations, and Special Planning Areas shown in ALTERNATIVE A? Is there anything you suggest for change or addition?**

LAND USE ALTERNATIVE B

2. **What are your thoughts/ideas about the opportunity sites, constraints considerations, and Special Planning Areas shown in ALTERNATIVE B? Is there anything you suggest for change or addition?**

LAND USE ALTERNATIVE C

3. What are your thoughts/ideas about the opportunity sites, constraints considerations, and Special Planning Areas shown in ALTERNATIVE C? Is there anything you suggest for change or addition?

PREFERRED LAND USE ALTERNATIVE?

4. Given what you've learned about the various alternatives, what is your preferred alternative? Would you make any changes to your preferred alternative?
